What are cookies? Cookies are simple text files that are stored on your computer or mobile device by a website's server. Each cookie is unique to your web browser. It will contain some anonymous information such as a unique identifier, website's domain name, and some digits and numbers.

If you want to restrict or block the cookies that are set by our website, you can do so through your browser setting. Alternatively, you can visit <https://www.internetcookies.com> which contains comprehensive information on how to do this on a wide variety of browsers and devices. You will find general information about cookies and details on how to delete cookies from your device.

What types of cookies do we use?

### **Necessary cookies:**

Necessary cookies allow us to offer you the best possible experience when accessing and navigating

through our website and using its features. For example, these cookies let us recognize that you have created an account and have logged into that account.

=====Created by our sites - not sent to anyone:

NAME TYPE EXPIRATION
